A- Read the text and complete the sentences.

Kelly Slater is considered the greatest professional surfer of all times. Slater was born on February 11, 1972 in Beach, Florida, USA, where he still lives. He has got an older brother, Sean, and a younger brother, Stephen, who are also talented surfers.

In his free time, he enjoys playing the guitar and some well-known musicians including Ben Harper, Jack Johnson and Pearl Jam's Eddie Vedder are among his friends. In the late 90s Slater, along with his friends and fellow surfers Rob Machado and Peter King, formed a band called **The Surfers**.

Slater also had many famous girlfriends like Pamela Anderson, Brazilian supermodel Gisele Bundchen, and Cameron Diaz.

He played the character Jimmy Slade on several episodes of the popular TV show **Baywatch** in the early 1990s. He appeared in an episode of the reality show **The Girl Next Door**, and in many surf films.

Slater is passionate about preserving oceans globally and protecting reefs in California. He is an inspiration to many young people in the world.
